

Voices of Wannon

Participatory Democracy

STRATEGIC PLAN

Our Mission

To facilitate a meaningful conversation between the people of Wannon and our political representatives

Our Vision

For our common values to be conscientiously represented in parliament by those we elect

We are

Independent and open to all
Representatives of the community
Supportive of democracy
Evidence and data driven
Governed by our values

Our Values

We are **inclusive**
We are **transparent**
We are **accountable**
We are **respectful**
We act with **integrity**

Our Strategies

Advocacy

To advocate for good democratic processes
To educate people about how the political process works

Strengthen our Voices

To publicly define Voices of Wannon
To actively engage with our members to promote participation
To build and strengthen our membership base

Kitchen Table Conversations

To find out the common values of our communities by holding Kitchen Table Conversations

Build our Data

To enhance our quantitative data resources on the voting habits of the Wannon community
